8 Club Admin Items

Christmas Party – The venue at Bede Lodge is booked for Saturday 25th January and Steve has provisionally sorted out the Disco & Mark is to sort out the buffet with Perryman's Picnics. It was agreed that we would charge £5 per person to attend and that would cover most of the buffet and disco costs, with the club raising money via raffle ticket sales. We would promote the event in the last couple of weeks before Christmas and have a cut off date of Thursday 16th January for ticket sales.

Young Sparks – The number of athletes is to be monitored and we'll review progress again in the new year. Mark & Steve are to continue to take turns at coaching the group.

St Cuthberts Hospice – Following on from the last meeting, more information has been gleaned and we agreed that the club would invite athletes to donate with a fancy dress event at the last training session before Christmas. We would also encourage athletes competing in the Junior Great North Run to run for St Cuthberts Hospice as their chosen charity for sponsorship.

Competitions – A discussion took place on which events the club should encourage athletes to compete in. It was agreed that for Cross Country it would be the NE Harrier League and the Boys & Girls Club events, for U11's it will be Sportshall & NOTAN Quadkids, for Track & Field it will be NEYDL and Boys & Girls Club events. We will push other events, but the priority will be those mentioned above.

9 Any Other Business

- A reminder is required on track etiquette, especially for new athletes who may not be used to running on a track.
- A discussion on behaviour of athletes also took place and it was agreed that athlete's will be encouraged to go to the toilet before the warm up and that coaches will use a whistle if it gets too noisy. It was also agreed that the older athletes should be setting an example, but this wasn't always the case and they would be reminded of their responsibilities. It was also agreed that the split sessions have worked very well and we'll build on that for outdoor sessions over the winter.
