## 3 Financial Update

Current Surplus Members Contributions is £3,433.69 however the NEYDL fees of £300 are still due. Nightly subs are still the biggest income with tuck shop and Young Sparks topping up income.

This month had been an expensive one as we had £260 in track fees, ordered a new light at £676.80 and paid for the Athletics Leader courses (£120) and £270 for Sam's coach course. However, we will be reclaiming these last two items with funding from County Durham Sport and CDAN.

**Action:**

**6 Funding Update**

The AAP Bid has come back from scrutiny and we have to provide written permission from Durham County Council for the long jump pit to be on the school site and also written permission from the school. A third quote is also required along with a longer contract with the school (which Frank is on with). The County Durham Sport list is to be explored to pursue a bid for a high jump bed and equipment.

**Actions:** Approaches to Asda & Sainsburys to be made.  
Written permissions to acquire (Mark has requested them).  
Third long jump pit quote required (Mark to sort).

**7 Gamechangers & County Durham Athletics Network**

The Gamechangers project was more or less complete with the exception of finding two volunteers for the officials courses in November. We do need to work out what the Athletics Leaders want to do once they've completed their course on the 13<sup>th</sup> October.

The CDAN Sportshall events are on the 17<sup>th</sup> November for U13/U15 athletes and 26<sup>th</sup> January 2020 for the U11 athletes.

**Actions:** Mark to finalise officials course volunteers.  
Committee members to talk to Athletics Leaders after they've completed the course.

**8 Club Admin Items**

**Presentation Event** – the event on the 29<sup>th</sup> September had been a great success and we agreed that any future event would be free to make sure that we can get as many people there as possible. It was also discussed that next time we could start later and offer a disco for a post-presentation party.

**Young Sparks** – The coaching of Young Sparks was discussed and it was agreed that Mark & Steve would rotate the sessions so that Steve didn't do them on his nights at work. It was also agreed that the sessions would only run in school term times. We're aiming to use the Reversaboard from the school for Young Sparks to practice on.

**Officials** – Mark to follow up on those who had shown an interest in volunteering for the courses in November.

**Action:** Mark to arrange officials course volunteers & book courses.

**9 Any Other Business**

- Producing an event guide was discussed so that we can encourage our new athletes to compete – one has been prepared by Mark and this will be circulated to athletes in coming weeks.
